

# Castles, Knights and Dragons

## Home Learning Challenges

Make a model castle. You could use cardboard boxes and tubes, building bricks or empty packaging. We would love to see your creation when it is finished!

There were 2 flags at the top of a castle's walls. If 2 more flags were added, how many flags would there be altogether?

Go on a visit to your local library. Can you find any books about castles, knights or dragons? You might find some storybooks or some information books. Which book is your favourite?

Draw or paint a picture of a dragon. What colours can you use? What does your dragon look like? Can you tell a friend or grown-up about your dragon? Maybe you could give your dragon a name.
