

A Magical Muddle

Home Learning Challenges

In the story 'A Magical Muddle', the witches turn into animals when they say the magic spell. What animal would you like to turn into? Can you paint and draw your animal?

Go for a walk and look for a stick that would make a perfect magic wand. Maybe you could decorate it with paint or stickers when you get home. Can you make a magic spell with your wand?

A witch's hat looks like a triangle. Can you draw a big triangle or trace over a triangle that a grown-up has drawn? Decorate the triangle to look like a witch's hat.

Stand at the sink or sit in a bath of bubbly water. Use some different containers and plastic bottles, and pretend to make potions. You could pour and mix your potions or even make up your own magic spell.
