

# A Magical Muddle

## Home Learning Challenges

In the story 'A Magical Muddle', the witches turn into animals when they say the magic spell. What animal would you like to turn into? Can you paint and draw your animal?

A witch makes a magic spell. She puts 3 frogs in the cauldron and 3 spiders too. How many things are in the cauldron? You might like to make a drawing to show your answer.

Play a game with a friend or a grown-up where you pretend to magically turn into an animal. Can your friend guess which animal you are pretending to be?

Go for a walk and look for a stick that would make a perfect magic wand. Maybe you could decorate it with paint or stickers when you get home. Can you make a magic spell with your wand?

Witches often have a pet cat. Can you think of some words that rhyme with cat? You might like to draw them or maybe try to write the words.

Stand at the sink or sit in a bath of bubbly water. Use some different containers and plastic bottles, and pretend to make potions. You could pour and mix your potions or even make up your own magic spell.
